

The Night Gardener

Singer-Songwriter / Alternative Folk

The Night Gardener is a singer-songwriter / alternative folk solo act from Berlin, Germany. Usually heavy on effects, every now and then purely acoustic, the 33-year-old plays richly dynamic concerts. In a moving and intimate, yet powerful way, his writing touches the themes of identity, escapism, defeat, love and healing. His current album "These Are The Parts" traces that journey, from the first wound to finding the antidote.

For all those who love the music of Damien Rice, Glen Hansard, Leonard Cohen, Julien Baker or Gregory Alan Isakov, and for many other people.
