

The Night Gardener

Singer-Songwriter / Alternative Folk

„Am I in love? --yes, since I am waiting. The other one never waits. Sometimes I want to play the part of the one who doesn't wait; I try to busy myself elsewhere, to arrive late; but I always lose at this game.” - Roland Barthes

Armed with his guitar, piano, and a bunch of pedals in front of him, The Night Gardener plays richly dynamic, vulnerable, healing concerts. Never backing down, he defends life and love in times of tinder and corporate slavery. Fans of Damien Rice and Glen Hansard, Jeff Buckley and Gregory Alan Isakov are in good hands.
